CV

Education

2023 – 2026

M.Sc. Human-Computer Interaction · University of Siegen, Germany

2012 – 2016

B.A. Textile Design · Art University of Tehran, Iran

Experience

Summer 2026

UI/UX Designer and Researcher (internship) · Robofinder, remote

Qualitative interviews with partner agencies and a prioritised UX roadmap; redesign of navigation and onboarding flows; wireframes and high-fidelity prototypes built with Claude Code; UX audit, CMS structure, and English copy.

Oct 2025 – Apr 2026

Student research assistant, Digital Publics B04 (DFG) · University of Siegen

Qualitative analysis of media use, communication patterns, and public engagement in Morocco and transnational diaspora contexts, using language-model-based tools.

Oct 2023 – Oct 2025

Student research assistant, CrossComITS (BMBF) · University of Siegen

Smartphone Café sessions and workshops with older adults, observations, interviews, qualitative analysis, and literature review support for the PDC 2026 paper.

Oct 2023 – Oct 2025

Student research assistant, NEBULA (BMBF) · University of Siegen

Research workshops and concept testing sessions on digital inclusion; documentation of user feedback and synthesis of qualitative data.

2016 – 2021

Founder and designer, Maya Studio · Tehran, Iran

Self-employed design studio for commissioned branding, textile, and visual design projects, from concept to production.

Thesis

2026

From Loneliness to Belonging · M.Sc. thesis, University of Siegen

Qualitative HCI study on AI-mediated emotional support among immigrant women in Germany, with design fictions and an interactive prototype (SafeSpace).

Skills

Research

Qualitative analysis, structured and semi-structured interviews, thematic coding, workshop facilitation, usability audits
